Elvio Barbosa

Front-end Developer Angular, React and Wordpress
Fortaleza, Ceará, Brazil

Summary

I have 10+ years of professional experience in Website development. My experience includes skills and knowledge that can be used and applied in several works and different industries. I work remotely with front-end and Wordpress development (websites), with clients in countries Brazil and other countries around the world.

I have strong skills in Javascript, jQuery, PHP, HTML, CSS3 (SASS), Wordpress, ReactJs, NextJs, SQL, Node and GraphQL.

As a Senior Fullstack developer, I participated in several B2C projects that required expertise in Front-end, UX and PHP using Wordpress. I collaborate with cross-functional teams to contribute to deliverables assets for clients.

I have experience with project management skills and the ability to work under pressure of deadlines, a strong sense of aesthetics and knowledge of visual design. I am self-motivated and self-managing, with strong organizational skills.
